

NetMind Financial Holdings Limited 網智金控集團有限公司

CST Mining Announces Change of Company Name to NetMind Financial Holdings Limited

HONG KONG, 1 June, 2016 –NetMind Financial Holdings Limited (“NetMind” or the “Company”, together with its subsidiaries, the “Group”; HKEx: 985) today announces that it has changed its company name from “CST Mining Group Limited” to “NetMind Financial Holdings Limited”. The Company will also adopt a new stock short name and launch a new company website.

The change of the Company’s English name from “CST Mining Group Limited” to “NetMind Financial Holdings Limited” and the adoption of the Chinese name “網智金控集團有限公司” as the Company’s dual foreign name became effective on 17 May 2016. With effect from 6 June 2016, the Shares will be traded on the Stock Exchange under the new stock short name of “NETMIND FIN” in English and “網智金控” in Chinese. With effect from 6 June 2016, the website of the Company will be changed from “<http://www.cstmining.com>” to “<http://www.netmindfh.com>”.

In November 2015, the Company acquired First Cargo, an E-logistics Platform that matches shippers seeking inter-city or intra-city transportation of goods with owners of freight vehicles who have spare capacity. First Cargo now has about 800,000 registered users, with an average of 2,000 transactions daily. Going forward, the Company will focus on organically growing its E-logistics Platform nationwide, increasing the number of users, cultivating the high-end market and providing big-data related value-added services to its targeted customers.

Mr. Chen Weixing, Executive Director of the Company stated: “We are very excited about the introduction of our new company name. The new name, NetMind Financial Holdings Limited, allows us to emphasize our strategic repositioning as an internet logistics service solutions provider. This comes at a time when we are implementing plans to provide financial services including insurance and freight-related lending to make our platform one of the most comprehensive logistics networks nationwide. We will continue to capitalize on growth opportunities, and look forward to creating value for our shareholders going forward.”

About NetMind Financial Holdings

Established in 1993, NetMind Financial Holdings Limited (the "Company") (Stock Code: 985) is a financial holding company with subsidiaries in e-logistics and mining. The Company owns 92% interest in First Cargo, which is an E-logistics Platform. The Platform allows real time two-way online matching of owners of freight vehicles with spare capacity and customers with demand for transportation of goods. The Company has invested in Kuaichi which principally engages in the development and operation of mobile phone apps “Kuaihuoyun” via which logistics and freight transportation services are provided. The Company also operates the wholly owned Lady Annie Copper Mine in Queensland, Australia.
